**WANTED FOR TREASON  
 AGAINST AMERICA AND  
 HER CITIZENS**

Appointed by Merrick Garland, we  
 now have Jack Smith. Jack Smith is  
 a nobody that says he will complete  
 his investigation against President  
 Donald Trump quickly. Since the day  
 President Trump announced that he  
 was seeking the nomination for the  
 RNC he has now become the target  
 for another investigation by the Left.  
 The corrupt politicians on both sides  
 of the isle are doing their best to  
 stop Trump. They fear him! All of  
 the issues that they say he has done  
 to violate the oath of office is what  
 these corrupt individuals are doing  
 on a daily basis. How in the world do  
 you think they became so rich?

**PRAYER**

A Novena to  
 Saint Jude and the  
 Sacred Heart of Jesus:  
 May the Sacred Heart  
 of Jesus be adored,  
 glorified, loved, and  
 preserved throughout  
 the world, now and  
 forever. Sacred Heart  
 of Jesus, have mercy  
 on us. St. Jude, worker  
 of miracles, pray for  
 us. St. Jude, help for  
 the hopeless,  
 pray for us.  
 Say this prayer nine  
 times a day, by the 8th  
 day your prayers will  
 be answered.  
 Thank you. St. Jude for  
 interceding for me.

This nation needs  
 this more than ever.  
 We are in times where  
 evil VS. good.

 Line Locating Service!**

If they are there we will locate your property survey markers!  
 We can show you the truth about the myth that your  
 property lines are accurate! Rural properties are our  
 specialty! Before you build or fence your home, have  
 peace of mind! Most property lines are not where you  
 think! Some one built a fence and never checked!

**Christmas Treats!!!!**

Geraldina Maria Delia PO Box 852 Lucerne Valley, Ca. 92356

**FROM THE EDITOR!  
"UNSPOKEN THOUGHTS"**

Wow! 17 Days till Christmas!! Santa won't be able to be as generous this year with the cost of fuel off the charts. Actually since his sleigh is powered by 8 tiny raindeer it is still an issue. A Bale of Alfalfa is around \$26.00 a bale. The Liberals are really after Ole Saint Nick for having his reindeer taking a dump on you lawn, roof top, and what ever else they can dream up! That brings up the issue of Methane Gas. Since they Left wants to get rid of the cattle industry, I think that they also area going after any cloved hoofed animal. The common sense that we once had pride in is a thing of the past. The "Woke" generation voted heavily for the Democrats because all the "FREE CRAP" that we know will never happen. These morons couldn't pour piss out of a boot if the instructions were on the bottom of the heel. Our Border is a shambles and we have no idea how many illegals have crossed it and got away. Our wonderful colostomy bag Chuck Schumer is screaming how we need to do a mass amnesty to 15, 20 or even the 40 million that might have crossed with the invite of Diaper Joe Biden. Did you notice that Chuck the colosotomy bag Schumer waited till the elections were over to make this announcement? If you are one of the individuals who actually voted for this walking turd, I personally hope that you lose your home, job, savings and privilege to vote. The Media has drank too much of the Kool-aid to be able to walk away from this one. I personally have been watching for them to start dropping dead from the poisonous brew. I hope one day to have the opportunity to beat Fauci in the face with his own face. God save us! 17 Days and counting.
