This Friday December 18th our guests on Trevor's Happy Hour will be MARK SLAUGHTER from the band Slaughter and STUTTERING JOHN MELENDEZ from The Tonight Show with Jay Leno and also The Howard Stern Show fame !!!

Slaughter has sold more than 5 million records world -wide. The group has had numerous top hits on the Billboard charts such as, Fly To The Angels, Up All Night, Spend My Life, and Mad About You. They also won the 1991 American Music Award for "Favorite New Artist."Slaughter has toured with KISS, OZZY OSBOURNE, POISON, DAMN YANKEES, and countless others. They will be performing that night 12/18/2015 at Casino Morongo and we will be giving away FREE Tickets to the concert on the show !

Stuttering John Melendez' main role in the beginning of his stint at The Howard Stern Show was answering the phones and screening callers before they were allowed on the air. This often entailed intentionally putting callers through who were willing to say something outrageous to get a reaction from the show's on-air guest. In relation to Stern's show, Melendez is best known for segments in which Melendez confronted celebrities at red carpet events and in other public arenas. The questions he asked celebs were written by Howard Stern, Fred Norris and Jackie Martling and centered around a given celebrity's private life and the concept was based on the idea that a celebrity would not want to look bad by refusing an interview from a stutterer. Melendez left The Howard Stern Show in 2004 when he was offered the announcer position at The Tonight Show starring Jay Leno, which prompted a rift between Stern and Leno. Melendez went on to become a writer on Leno's Tonight Show where he remained until Leno left the show in February of 2014. Call in this Friday at 888-909-1050 or listen online at kcaaradio.com. You can also join us in the chat room at trevorshappyhour.com .

"The Truth"

By Fred Lundgren
CEO of KCAA Radio

KCAA on FM

KCAA Radio has a few hourly program times open for broadcasters interested in hosting programs on our station. You can call Trevor Garner Sales Manager at 714-986-4346

KCAA 1050 AM Radio, licensed to Loma Linda, CA. We are the CNBC News affiliate for the Inland Empire and host of the Inland Empire's #1 Talk Radio Show TREVOR'S HAPPY HOUR with Lyle Fenimore every Friday at 3pm PST.

KCAA combines nationally syndicated programs such as The Stephanie Miller Show, Imus in the Morning, On The Mark with Mark Westwood, Market Wrap with Mo Ansari and Your Music Team every Sunday night starring Fred Plimley with 50 regional and locally produced programs. We air weekly shows on subjects as diverse as medical marijuana and vegan diets. Our most popular weekend program is hosted by Joe Britt !

KCAA 1050 AM Radio offers audio and video streaming and podcasting. KCAA was one of the first commercial radio stations in America to stream audio and also one of the first stations to offer full-time audio podcasting. In fact, we developed proprietary podcasting software in December of 2003 that has operated successfully to this day. KCAA is now introducing around-the-clock video podcasting and live video Skype production for hosts who broadcast from their office or home. As CEO, I have been the prime developer of the station's unique format that combines local and national talent. Our efforts have attracted thousands of local listeners and 175,000 listeners in 134 countries around the world. Our podcast site receives 150,000 visits each month. I work directly with programmers and advertisers to get their content on the air.

I branded the station with a unique moniker..."The Station That Leaves No Listener Behind" as a way to send a message to listeners and to remind other broadcasters that the prime directive of a federally licensed radio station is to serve the public interest, convenience and necessity irrespective of the licensee's politics, philosophy, religion or personal bias and that the public airwaves must remain open and accessible to all citizens.

If you would like to have your own radio show on KCAA 1050 AM and 106.5 FM contact Trevor Garner at tgarnerkcaa@aol.com or call Trevor at 714-986-4346

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

Hello again! Before I get started, I would like to give a shout out to my friend Colleen, head cashier at Stater Bros. at Navajo and Bear Valley Road, Apple Valley. She told me to share the news that she is doing great!!!!!!!!!!!!!!!!

I marvel over the corruption that rules California! Just this last week the news media, you know the ones I can't stand, announced that the price of a barrel of oil is $35.41. We are still paying over $2.35 a gallon. Are they kidding? New Jersey, the price for regular is $0.99 cents a gallon for regular! When are the "Sheeple" in this state going to tell Brown and the rest of the politicians "Enough is enough"? The only thing that the media has shown me these last 3 weeks is they are scared to death of "Trump"! I know that the media has twisted every word out of his mouth. We need to be more watchful and selective of who we let into our country. We should approach this subject like our lives depend on it. Wait, our live may very well depend on it! It is not racialism or bigotry that causes this statement. It is basic survival. Do you think that I.S.I.S cares if they butcher your family? Do you think that they will embrace us with open arms and a tuna sandwich? These liberals that want to throw the door wide open need to put their ass on the line! If they let someone in without proper documentation, they need to be held liable and accountable for the actions of any terrorist that they helped to slip through. We are blinded by the concept of "Social and Political Correctness". If taking a hard stand offends you, hide in the closet and wait for the victor to open the door and let you enjoy your life. Hopefully, the victor is us! We are not respected in the world. We have no strong leaders amongst us. All we have are the "Idiots" that think everyone who participated should take home a trophy! Christmas is only a little over a week away. I hope that everyone takes a moment to thank the individuals who are serving in the Military. These brave soldiers are fighting a battle with their hands tied. Makes me remember the soldiers that fought in Viet Nam. That was another fiasco. We should have challenged G.W. Bush on going to war. We have to accept the responsibility for what we have unleashed on the innocent victims that the radicals are killing daily. This was our doing!
