**WANTED FOR TREASON  
 AGAINST AMERICA AND

These 4 have been in Washington way to long. Not one of them has done the job that they swore under oath to execute in the interest of the people that they serve. Each one of these need to be given the opportunity to resign or face appearing under oath to account for the criminal activity that has been in process for the last 6 years. We don't need to go back decades to investigate them. We all know that they have lined their pockets at the expence of the tax payer. This is the top of the list from both sides of the isle. When they say Trump wasn't vetted, it reall meant he would end their lies.

## FROM THE EDITOR! "UNSPOKEN THOUGHTS"

Wow! 10 Days till Christmas!! This week the story of the real Saint Nicholas of Myra, also known as Nicholas of Bari, is what I am focused on. Seems that there are many haters out there that really have no clue about the history behind our present day Santa Clause. In on March 15, 270 A.D. Saint Nicholas was born. In this time the area he was from was under the rule of the Roman Empire. Because of the many miracles attributed to his intercession, he is also known as Nicholas the Wonderworker. St. Nicholas was a very rich man because his parents died when he was young and left him a lot of money. Instead of using his wealth for his own gratification, Nicholas saw all poor, ill, hungry people and decided that his calling in life was to share this wealth with those less fortunate. He would help the sick and feed the orphans. His kindness did not go unnoticed. The Roman Emperor Diocletian hated Christians, and was determined to hunt them all down and kill them. Nicholas was put in prison for his crime of seeing to the needs of the less fortunate. Nicholas spent the night praying for guidance, and was visited by Jesus and Mary. "When the jailer came in the morning, he found the chains loose on the floor and Nicholas dressed in bishop's robes, quietly reading the Scriptures." It was determined that no one could have visited or helped him during the night. Thus St. Nick lived to be a very old man, following his calling. St. Nick passed away December 6, 343 A.D.. So when the haters want to talk about Santa Clause being an "Old White Man," they should be as great an individual as he and strive to live a better life.
