These 4 have been in Washington way to long. Not one of them has done the job that they swore under oath to execute in the interest of the people that they serve. Each one of these need to be given the opportunity to resign or face appearing under oath to account for the criminal activity that has been in process for the last 6 years. We don't need to go back decades to investigate them. We all know that they have lined their pockets at the expence of the tax payer. This is the top of the list from both sides of the isle. When they say Trump wasn't vetted, it reall meant he would end their lies.

FROM THE EDITOR! "UNSPOKEN THOUGHTS"

Wow! 3 Days till Christmas!! We as a nation need to look back on the 246 years that we have existed. In that time the United States has fought it's own wars over issues of our independence. We have fought war on other soils to keep evil from taking hold. The one thing that made this possible was the fact that we as a nation knew that we had the hand of our creator guiding us in a strong and moral direction. In the last 60 years we have allowed the evil that we fought to take hold on our soil. We need to keep our past history in mind to learn from mistakes. To let atheist remove God from our society will be our down fall. So when you are greeting people you know or even total strangers do not be afraid to say Merry Christmas. Christmas is a celebration of the birth of the Christ Child. He was and is the King of Kings. His love for mankind was the ultimate love for our world. When we stand against evil that has taken hold in the world and most importantly our elected officials we do so with the strength he and God the father provides. Do not be afraid to stand your ground on this issue. When you allow the social and political correctness to control your thought and word you have surrendered your right to be who you are given to you by the almighty. Never be afraid. I served this nation along with hundreds and thousands before me to defend your right to look another in the eye and say in a kind and loving voice,

"Merry Christmas!"
