**FROM THE EDITOR!
"UNSPOKEN THOUGHTS"**

We dodged the bullet Easter Sunday, so did many other Christian countries. It is still a matter of when versus if we get hit with another attack from our enemiew that the Diaper Joe Bidung administration is allowing to enter our country. The Left and the Corruption on the Right is pushing the degenerate agenda that has targeted our children. Get over it, there are only two genders. All the other crap they are inventing on an hourly basis is just a bunch of bullshit. The trouble with the everyone got a trophy generation is they raised a bunch of worthless, pagan, morons that couldn't pour piss out of a boot, even if I put the instructions on bottom of the heel. We are a nation that is losing it's way very similar to the fall of the Roman Empire. The Roman Empire became a very evil, corrupt, degenerate nation. It is a fact, if you do your research, any nation that turned it's back on God and moral values has fallen. The term "One World Order" has been renamed. Now it is "The Global Community"! Same crap, just a different name. The United States of America is the only nation on the planet that stands in the way of The One World Order. The only thing that has kept us from being invaded is the Second Amendment. We have a powerful Armed Forces, but even stronger is the 100 million gun owners in this country. The fact is our nation has the largest armed population than any other nation on the planet. The Dumb Asses on the Left that think that Communism or Socialism is great has drank to much of the Kool-aid. They don't realize that the chosen ones are going to use them as stepping stones and when they are done, they will help them find a garbage can to see if they can find something that might still be useful. We are in dangerous times of losing our freedom. Be safe and pay attention to your surroundings.
