FROM THE EDITOR! "UNSPOKEN THOUGHTS"

Every time I think that it can't get any stranger, the Left prove me wrong! The View says that the earthquakes, hurricanes, the solar eclipse are all the fault of Global Warming!! Also, to bring you up to date, the Trans-Sex Workers in Indonesia are losing their potential incomes because of Global Warming! I can't believe that anyone with self respect could get on television and make such ridiculous statements and not have all of their families jumping up and down throwing a fit! We have thousands of illegals that have entered our country of military age. These Third World Mongrels are not here to do any of us any good. Diaper Joe and the rest of the traitors in our government have set us up for an attack. I suspect that these mongrels will be armed by our own government officials to take American lives. The corruption in our government know that our soldiers will not fire on the American Citizen. Therefore, they have brought in a large number of scum that will shoot you, your family members just like the attack in Israel. Why do you think the bastards are going after the Second Amendment so hard? The only thing that is keeping us safe at the moment is the Right to Bare Arms! There are still around 10 million veterans who are able to fight. That worries Washington D.C.! Why do you think they are trying to put bills through congress to keep veterans from owning firearms? The story the Corrupt Left is pushing is to take the guns from the veterans will stop the high suicide rate. This is a lie, the bastards at the top right down to the corrupt F.B.I. don't have your interests or wellbeing at heart. If you are one of the idiots who voted for the lie in Washington, you need to get ready for an all out assault. These bastards will kill, rape, and destroy every thing you have worked for. Biden and our officials are owned by China.
