FROM THE EDITOR! "UNSPOKEN THOUGHTS"

I can't believe that California legislature is looking to pass a bill that will turn the whole damn state into a sanctuary! I have seen stupid in many different forms in my lifetime. This one tops all! They plan to make it almost impossible for Illegal's to get deported. No matter what the crime, they will not assist the Fed's with doing their job. These Dumb Asses, don't care about your or your family. If you get murdered, raped, molested, robbed you need to get over it. You will not get justice. All you will get is the bill for feeding and lodging these criminals. What a joke? This can't really be happening? And the Hollywood crowd is behind it 100%! You have the people that have no use for you, looking down their nose at you and trying to make you feel responsible for every stray dog that wonders into your neighborhood? Yet, they have gated communities. They have the access to the beach blocked to keep trash like you from trampling on what is a public property. Do you see the point? All the Snowflakes that are protesting Trump, really? I am not happy with the way these little cowards single out and attack Senior Citizens. I think that the next time there is a Pro-Trump rally close by, I will try my best to attend. I am also a Senior Citizen. This May, I will be 65 years old. Now the good news. I have worked hard at ranching and farming since I got out of the military in 1975. For my age I am in excellent shape. I still buck as much as a couple hundred bales a day from time to time. I would love to have one of these, or several Snow-flakes decide that they would like to have me as a dancing partner. I guarantee that I will teach these little weenie washers that they are not really ready to bark with the BIG DOGS! I will step on their tails and after they piss themselves, they can run home to their safe space and play with their Barbie Dolls or what ever boys do these days!
