**Pamela's World! Hello my friends,**

We have had some crazy weather lately. There are 3 Dams in the high desert. It's too damn COLD, to Damn HOT or to DAMN WINDY, You've heard many of my sayings, Not every thing you face can be CHANGED...But nothing can be changed until it's FACED....How about this one When you change the way you look at thing/people. .the Way you look at things will change ! ....Others can try & stop you Temporarily. But only you can stop your self Permanently . & another one is...IF YOUR GOING TO PRAY WHY WORRY...& IF Your going to worry why pray ? Have your faith so strong, that any thing you are going through will be over . Keep an open mind!

**Until Next Week!

**FROM THE EDITOR!  
"UNSPOKEN THOUGHTS"**

Once again Hillary is on the "Band Wagon" with the story that she lost because all you "MEN" out there forced your wives, mothers, daughters and sisters to vote for "Trump"!

This silly bitch is about as narcissistic as they come. In some ways, I would like to feel sorry for her, then the reality hits that she would sell all of our souls to the devil to become the next leader of the world right after Obama passes her the torch. This week the "FAKE NEWS MEDIA" is losing their minds over the recent news that Kim Jong Un requested to meet with President Trump. This little "ASS CLOWN" knows that the time for him to work a deal is now. Trump will not allow him to play the games that his father played with all our former Presidents. Even the "Left Snowflakes" are in disbelief over this one. If Trump can pull one more rabbit out of the hat, he is without a doubt going to win the election in 2020! Our demented Governor Brown sent Trump a letter inviting him to visit the "HIGH SPEED FAIL!" I mean rail, sorry about the slip!

That would be the best footage your could imagine if Trump could have his view on this "BOONDOGGLE" that will bankrupt this state! The are talking about running 38 miles of this track in a tunnel through Mt. Shasta! Over the weekend, there were a number of 3.3 earth quakes in that area. Could you imagine being half way through that tunnel when a 7.8 hits? You might as well "KISS YOUR ASS GOODBYE"! Brown is just wanting to leave a legacy behind like his piece of crap father did with the Mojave Water Agency. Brown wants to be remembered for the "TRAIN TO NO WHERE" rather than the "ASS CLOWN" who never came out of the "CLOSET"! I know that my asterisks and my capital letters will annoy my new fan M.W..

What do you think girl? Am I making my point? Funny how quiet you became when I was willing to share your name and your thoughts with the valley!
