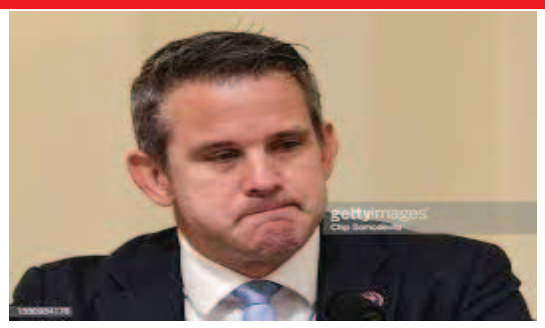
WANTED FOR TREASON AGAINST AMERICA AND HER CITIZENS



Rep. Adam Kinzinger Washington swamp monster. Here is another example of a traitor. He betrayed his oath of office. He betrayed the trust of President Trump and the American Citizens. This little sack of vomit would lie, cheat, steal and commit treason. He has his head so far up Pelosi's ass they look like Siamese twins. He is out for his own advance in our government. He has no desire to see the Left handed their asses in a to-go-bag next when the next election is held in Nov. 2022. He likes it like it is. He is going to be greatly disappointed when he himself gets the boot. Justice served.

FROM THE EDITOR! "UNSPOKEN THOUGHTS"

I can't wait to see the look on Democrat faces in the next elections coming up in Nov. 2022. Unless they can figure out a way to cheat like in 2020 they will get head used like a broom and their ass like a mop. Dr. Fauci, little bitch that he is, is still trying to say in the public eye. This disposable little butt muffin needs to be totally investigated and held accountable for his treason. He knew in 2017 that the China Virus was going to hit the world. He even shot off his mouth when he stated "Trump should not be surprised if there is a pandemic that is of global proportions!" Right now the virus has mutated to a point that it really can't affect anyone in average good health. The Left and the corruption on the right will try to bring back the mask mandates just in time for the Nov. 2022 election. They will say it is for the good of the nation. The Mini Biden Burka is about as useful as a chainlink fence trying to keep fly's out of your house. The more I see Diaper Joe on TV trying to act tough the harder I laugh. This man who is in charge of the nuclear football isn't even smart enough to know he is stupid and being played by not only the politicians but also his wife. She knows she has to babysit his at all the events and meetings. The only reason she puts up with it is the pension she will collect when the old Senior passes. She has the Jamaican Nanny, Kamala Harris, to change his Depends! If I were to have put this story on paper 20 years ago and tried to have the Hollywood crowd make it a movie, they would have a great time laughing and showed me the door. Wait, I was just reminded that a movie was made. It depicted a joke of a President and the worlds dumbest soldier now being the smartest man on the planet!
