WANTED FOR TREASON AGAINST AMERICA AND HER CITIZENS

Adam Schiff, lied about the Russia Hoax, lied about having evidence against President Donald Trump. Still still deceiving his constituents. The only thing he is interested in this country is making sure that the corruption stays in control of your lives, bank accounts and brainwash your children at the kindergarten level if not sooner. He is a danger to the United States and will be the individual that the left will use to push their adjenda. He would sell out his mother if it meant that he could continue to rule over the individuals who were stupid enough to have voted for him.

PRAYER

A Novena to Saint Jude and the Sacred Heart of Jesus: May the Sacred Heart of Jesus be adored, glorified, loved, and preserved throughout the world, now and forever. Sacred Heart of Jesus, have mercy on us. St. Jude, worker of miracles, pray for us. St. Jude, help for the hopeless, pray for us. Say this prayer nine times a day, by the 8th day your prayers will be answered. Thank you. St. Jude for interceding for me.

This nation needs this more than ever. We are in times where evil VS. good.

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

Wow, the January 6th committee was televised! It was a big production. All kinds of cameras, film crews, and celebrities! They came from near and far. They had one goal in mind, "Make sure Donald Trump can't run again in 2024!" Well, I think that the money would have been better spent betting on the ponies! Turns out this big production was beat out of prime time by, wait for it, Young Sheldon, and it was a rerun! The Left and the corrupt asses on the Right are losing their minds. If Trump returns they are totally screwed. In the up coming 2022 mid-term elections is looks like the RED WAVE is going to be a RED TIDAL WAVE! Let me give you my break down on the events to come. Diaper Joe will be impeached for his refusal to enforce his oath of office. Camel Hairyass will be impeached for being a worthless idiot. She will be back in California hoping to do appearances with Stormy Daniels! Maybe they could do a dance routine? Nancy the Drunk Pelosi, her not her drunk husband, will be pushed out of the Speaker of the House position and without a doubt if some brave soul throws a cup of water on her she will melt! That means that Chuck the Smuck Shumer will no longer be in control of the Senate and will maybe fall on his ball point pen to save face. On the right I would like to see Liz Cheney handed her ass in a used to-go bag. She is vile and evil, but, what do you expect from the daughter of a war criminal. Lindsey Graham is another one that is a two faced hypocrite. Last but not least, Adam Kinzinger. This little traitor needs to get his ass kicked up between his shoulder blads so he has to take his shirt off to take a dump. One day I might get over my shyness and tell you how I really feel!
