FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

We are now into the New Year and the left is losing their minds over the fact that they can't break Donald Trump. Jack Smith, Laticia James, Fani Willis are doing their best to put our President behind bars and bankrupt his family. These pieces of walking human waste are committing treason. The corruption is both sides of the isle. If you take the word Senate and combine it with the word Congress they spell TREASON. If you don't like my writing the truth and are offended, feel free to not read my editorial. Also, feel free to kiss my former military ass. We are now in one of the darkness times in our nations history. When you have your degenerate, immoral program in on track to destroy our children and they say that since I disagree with you plan, I am the problem? God destroyed Sodom and Gomorrah for what the left is now embracing. You have a group that has infiltrated the LGBTQ that are on board with child mutilation. If you can't get a tatoo till you turn 18 years old, how can you look me in the eye and tell me that a 10 year old child is mature enough to get sex change without parental permission? In California that piece of garbage Gavin Newsom is totally on board with having children removed from homes where parents refuse to let a child destroy themselves physically and mentally. When we have Satanic displays in our states capital and Nativity displays are removed or never put out for public view, we are definitely on our way to Hell in a hand basket. In the next 11 months the fate of this grand nation will be desided. If we are not attacked by Hamas or the military age Chinese men that have invaded our shores, we will be at war with our corrupt politicians. Pelosi and Schumer are at the top of that dung pile. The Second Ammendment was put there for a reason, and it wasn't for you to be able to hunt rabbits.
