FROM THE EDITOR! "UNSPOKEN THOUGHTS"

The middle east is becoming a real toilet! The turmoil in the world is at record highs. Diaper Joe and the Jamaican Whore are not only a disgrace to this country, but also traitors to their oath of office. The Russians, Iranians, Chinese are just waiting for their moment to strike us. They have no fear because they own our President, Congress and Senate. We have only 10 months to get it right, but with the speed at which they are moving we are probably going to fall before the next elections. The Left basically have said that Donald Trump needs to be removed from running by any means to stop him. That is the same as saying that they need to have him assassinated, and no one is challenging this statement in the media. If you said remove Biden by any means, the F.B.I. will be knocking at your door in about 30 minutes. We have been invaded by thousands of military age men and have no idea where they are or who they are? My fear is that we are going to get hit harder than Israel by Hamas. The Third World Mongrels need to be put down once and for all. They are teaching their children from birth that the United States of America is the Big Satan. Once this is part of their personality, you can't stop them or reform them from this line of thought. There is not one person running for the Republican nominee for President other than Donald Trump who has the knowledge to save us financially and spiritually. Believe it or not, God sometimes chooses a warrior that has not lead a perfect life. God in his wisdom puts individuals on this planet just for that purpose. God knows that the man who will lead has a gentle touch holding a baby and wield a sword with his same hand and show deadly force. The Evil in our country fears Donald Trump returning, they know he will wield that sword and put an end to them once and for all.
