FROM THE EDITOR! "UNSPOKEN THOUGHTS"
Under Diaper Joe Biden the border is wide open and we are being over run with Third World Mongrels. We have a judicial system that has weaoponized to punish anyone who speaks out or stands up to the corrupt Washington Goon Squad doing the bidding of the Degenerate Bastard Barack Obama and his husband "Big Mike"! If reading this upsets you, put the paper down and take a nice swim to Catalina. It is to a point that I really don't care what you think about social and political correctness! You cowards need to return the pair of pink panties to who ever you took them from and try on a jock strap. Even if you have to buy a pair of balls to put in them from Walmart, this might help you feel more like a man. To the men who don't need this advice, I applaud you! Time to get ready for the attack that the Third World Mongrels are getting ready to unleash on this nation. We have the biggest well armed citizen population on the planet. I have a difficult time believing that anyone is on board with the bullshit that the Washington Traitors are trying to feed us? We have the right to take back control of this country and need to keep that in mind. Don't let them scare or make threats against you. The Constitution was written for a reason. It was written for times like these that the fore fathers knew could come. We have the right under the law to physically clean house. We have the right to remove the bastards. First we give them notice to vacate. If they don't pack their belonging and go home, we help them pack. We don't need to be bullied by our employees. They work for us. Keep that in mind. They are going at Presiden Trump because he is in their way. He has filled the promise made when he first ran for office. President Trump indeed exposed the corruption that has been in place since 1913 when they figured out that they had the power to turn future generations into sheep.
