FROM THE EDITOR!
"UNSPOKEN THOUGHTS"
Good Friday is only 1 day away, only 3 days till Easter Sunday. We have between 100,000 and 150,000 individuals of military fighting age that have come across the border and Diaper Joe and the Jamaican Ho have no idea who these people are and where to find them. Scary part is those are the ones we know about. No idea how many were undetected that managed to get past CBP? Our elected employees in fact have sold us out. This is not bad policy as I have stated before, this is a well laid plan to take us out of the way so the One World Order can dictate how our country is run and what if any rights you personally will have left. Now our elected officials don't speak about the One World Order, they have changed the name to "The Global Community"! The corrupt degenerates on both sides of the isle are only out for their own agenda, if you speak out you will be punished. They are able to destroy your income, family values, and most of all scare you into submission. God is being replaced by the false idol of "Social and Political Correctness"! When you have politicians that are in fact taking your children away from you so they can destroy their minds, that is communism at it's best. We have individuals in our nation that have been elected to public office that are working to destroy us. When Israel got attacked on October 7th by Hamas you have Third World Mongrels Reps. Ilhan Omar of Minnesota, Alexandria Ocasio-Cortez of New York, Rashida Tlaib of Michigan and Ayanna Pressley of Massachusetts saying that Israel deserved that attack on their young people that were merely out to enjoy a concert. Israel defended itself and is now being accused of war crimes against Gaza. The only thing you can do with the bad people is permanently remove them by any means at hand. Just remember when you are out and about on Easter Sunday, say a prayer and keep your eyes open.
