"UNSPOKEN THOUGHTS"**

It is really getting to the point that this country is about to buckle or completely fail. We have our own politicians that are pure evil. They think that Hamas and the Rabid Mongrels in Gaza are the victims. They are behind the trouble that we are now seeing on our college campuses. These students that think that the Jews are the problem and need to be punished is bullshit. If you have a kid in this new age system of stupid, get them out while they are still breathing. When you have students chanting From the River to the Sea and Death to Israel and Death to America, it is time to get out the RAT POISON and let's put an end to this shit. I am so tired of the corrupt bastards in Washington and the Media acting like they walk on water and strutting their asses like they are Sharon Stone without panties, needs to end. This is call without a doubt TREASON! They are using the courts to go after Donald J. Trump and all of his supporters. They will not stop until we put them down. The FBI is and always was a corrupt organization. J. Edgar Hoover was a cross dressing freck. He had the dirt on every politician in the nation and for that reason kept his job. The current FBI is a bunch of traitors. Law enforcement is a joke. They go after Mom and Pop and Granny! They don't go after you if you are a Washington Leftist. BLMm, Anti-fa, and all the alphabet QUEERS are off limits. My suggestion is to make sure you are well armed. The big meltdown is just around the corner. If they can't beat Trump with the new made up violations, they know they have to kill him. To do that, they simply find him guilty, a cocksucking congressman has pushed a law to remove his secret service detail, then send him to prison. In prison, they can get Hillary Clinton to write another suicide note. That evil bitch can burn in hell and I hope I am the one to send her there along with Barack Obama muslim bastard.
