FROM THE EDITOR!
"UNSPOKEN THOUGHTS"
Low and behold the Diaper Joe Biden White House and his corrupt DOJ gave permission to the FBI on the Mar-A-Largo raid to use deadly force against President Trump and anyone else that got in the way. These Bastards are getting away with TREASON, the Cowards in office on the Right are also DIRTY. J. Edgar Hoover stayed in the FBI as director for his entire life. No one in Washington or elsewhere had the balls to remove him. He had the FBI investigate almost every politician in the nation. He made it clear that he would expose all the dirty little secrets. So if the FBI was that corrupt back then, never overhauled it is just as corrupt now. Christopher Wray is a bottom feeding TRAITOR and scoffs in the face of the Congress and Senate. He knows he is protected by the same files that James Comey used to keep his job. The lower FBI Agents are cowards or also corrupt or they would come forward, give notice for a warrant and then arrest the crime bosses they work for. Not going to happen. When you have The White House and DOJ authorize FBI to use deadly force against President Trump, what do you think these bastards have planned for you and your family? They are already turning your children against you, your morals and our country. I personally would turn Gaza and Rafa into a glass parking lot. If the rabid dogs in Gaza were not totally insane, blood thirsty animals Egypt would not have built a wall that looks like a fortress to keep them out. Our White House, Congress and Senate gave a moment of silence to honor the Butcher of Tehran. Are you IN GOD'S WISDOM KIDDING ME? That bastard is now in hell where he belongs. Funny part to that is the virgins they think they are going to have in the hereafter are women, correction, they are goats. I don't care who this offends. Line up and "KISS MY FORMER MILITARY ASS"! You sheep will be lead to slaughter not me.
