FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

Our nation now has seen the return of perhaps the most powerful, greatest President the history of the world. The Left leading up to the inauguration has tried to weaken this administration. The Left and corrupt Right are so full of fear that Trump will use their attacks of the last 10 years against them. They have lied, cheated, betrayed their oath of office, not that it was ever taken seriously. During the senate interview of the Trump appointees, the corruption and treason is still in the process of trying to undermine the 2nd Trump administration. The questions that are asked have to do with unwanted sexual advances, drinking in excess, if these possible appointees will uphold their oath under the constitution. What a joke, the senators that are asking these questions are they themselves guilty of all of the above. One of the senators actually pointed this fact out. Bringing up the slush fund that has been in place for decades and used to pay to hide this fact from the public. Half of these individuals need to be investigated and put on trial. I don't care which side of the isle you support, just ask yourself this question. All the billions in dollars that are sent year after year all over the world to buy friendship, without return, we need to have our taxes cut. We don't need to keep this charade in place any longer. Trump wants to and is creating the External Revenue Service. This will start bringing back billions of dollars that our so called leaders have pissed away on crap countries that hate our guts. If he can get support on making this a reality, our national reward will be more financial freedom for our citizens. We are still in danger from the Third World Mongrels that have been released amongst us. Biden was never really President. Obama, Clinton's, Bush, Cheney have been calling the shots for the last 4 years. These bastards have committed treason and need to be made an example of. Hanging is too good for them, how about sending them to North Korea? Call Me! or email: editornickelshopper@aol.com
