**FROM THE EDITOR!
"UNSPOKEN THOUGHTS"**

In his first 11 days President Donald J. Trump has done more to help and save our nation than anyone President, or combined Presidents in American History!! Trump has informed the world that you can no longer use the American Flag as toilet paper. The President of Columbia was told he would take back all their criminals. He said no. Trump laid out the plan of action if he doesn't, the answer in reply was he could send his Presidential plane to pick them up if that would work. The Left and the corruption on the Right are doing everything they can to make sure Trump's policies don't get put in place. Pete Hegseth is now the head of the DOD. Pissed off all the woke, DEI garbage that has been out to take us down. Gen. Miley needs to be called back to active duty to stand trial for treason. Miley committed treason when he called his Chinese counterpart and said he would give him a call to warn him if Trump were to launch an attack. If that was a Sgt. in the military, he would already been court martialed. Biden gave a blanket pardon to all the traitors in our government who assisted in the J-6th scam who was brought to you by Nancy Pelosi. Oops, Biden didn't give Pelosi a pardon! Biden also forgot to pardon himself. We still can call in all the individuals who were pardoned to testify to congress. Now the 5th ammendment no longer applies. They have to answer under oath and disclose all the details of the Biden crime family. That also means that any of the involvement of the Bush, Cheney, Clinton and Obama in committing treason. Biden did us a favor with these pardons. Little Marco Rubio has shown that he has learned to man up. He is now letting our neighbors south of the border know that they will step and fetch when told to do so. The middle east will now see what it is like to have their asses handed to them in a to go bag and it won't be pretty.
