**FROM THE EDITOR!
"UNSPOKEN THOUGHTS"**

Canada, Mexico, and China are on the Trump Hit List for new tariffs. The corruption in our own government has been stealing us blind for decades. The money that has changed hands, our tax dollars, have made many of our politicians really rich. All the kickbacks under the table and off the radar is unbelievable. Tom Homan, really tough man, has been busy these last 24 days rounding up thousands of the Global Wetbacks that have been allowed in by the Biden, actually Obama's 3rd term, administration. There are groups of protesters in L.A. that have shut down some of the freeways causing the drivers grief. If these liberal, communist traitors really wanted to accomplish something valid, they would go back to the countries these criminals came from and make a change there. If this crap was happening in any of the corrupt South American countries, they would be arrested, if not shot, for the civil unrest that they are pushing. Many of the Liberal mayors and governors will be sorry for the treason they are committing with their Anti-Trump, Anti America stand they are taking in when they defy the federal laws. Hopefully Homan will do as he said, "Get in the way and you will be arrested and charged with a felony!" We are living in a society that is against God, and if you dare state your belief in God you will be punished. However, if you want to promote degenerate behavior you will be celebrated. What the hell has happened. The parent who refuses to spank a child is now on board with having their childs genitals cut off? Are you kidding me? You can't make this crap up! If I had written the last 10 years as a movie script 25 or 30 years ago, Hollywood would have laughed me out of their offices and told me to seek help to get off crack! Wait, on crack, you can blow paint through a straw and make millions! I stand corrected.
