**FROM THE EDITOR!
"UNSPOKEN THOUGHTS"**

Trump is busy being Trump! The corruption in our government is losing their minds. The theft of our nations tax dollars is not only being investigated by DOGE, but it is also being made public. Musk team he personally put in place has already exposed the fraud in the USAID. These findings are only scratching the surface on the corruption on both sides of the isle. We have money being channeled to our nations enemies who without a doubt out to see our destruction. We have in some cases thousands and in other cases millions of our tax dollars being spent to push the DEI and Perversion in other countries that they have been using on our young citizens. They are so afraid of this becoming public knowledge they are now screaming from the steps of the capital. These loud mouth traitors need to be physically removed from office, along with the corrupt judges that are also on the government payroll as long as they help push the evil, corrupt, perversion that the Left and Evil Right are calling the new normal in our nation. They hate the thought that our nation is on the return to being able to profess their belief in God and want the nation to go back to the Christian/Judeo belief that formed this nation. This downfall started when we allowed a big mouth atheist have prayer removed from our nations classrooms. Personally I don't give a rat's ass about her or any other atheist being offended. I don't care about your DEI beliefs. I don't care about the LGBTQ XYZPOS movement. You offer this nation nothing. The other issue is the rounding up of all the Global Wetbacks that have invaded our nation with the help of our so called representatives in Washington D.C.. These illegal's have no rights under the Constitution. They only right they have is to be treated humanely till we can ship their asses back to the Third World Garbage Cans they came from.
