FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

If you have been keeping up with the news on how fast Trump is getting things accomplished don't look for it, all the left supporting news media can talk about is how he is destroying democracy. Wait! Destroy democracy? The things Trump is focused on is reversing the tail spin the Democrat and Corrupt Republicans have put us in this last 4 years. Elon Musk isn't making policy. Musk is finding the theft of our hard earned tax dollars in this evil corruption we call USAID. This office was put in place by John F. Kennedy in 1961. I am not nor have I ever been a fan of JFK. We see the media acting out when it comes to stopping this waste of our money. I wonder how much of these funds over the years have been received by the media to buy their support? The other issue that is really got them screaming is Pam Bundi the newly appointed AG.. Bundi is going after the criminals that have been using the court system to arrest and bankrupt and destroy the enemies of the Deep State. Bundi is charging the corrupt Gov. Hochul and AG James in New York. She is also looking felony charges for sanctuary state aiding illegals. What the Left hates themost is a promise made promise kept by Trump. He hasstated in the past that he would expose all the corruption and theft by politicians and their henchmen. In his first few days in office, he had the President's of Mexico and Canada kissing his ass. They talked all their bullshit and when push came to shove, they buckled. He has sent the military to help at the border. It has now dropped from thousands a day to a couple hundred. The wall is being finished. He got an American released from a Russian prison in a matter of weeks. This is something that Diaper Joe had worked on for over 3 years. I can't wait to see what he accomplishes in his third month! Obama, Bush, Clinton also need their daily brief cancelled like Biden. The Boss is back!!
The "RATS" are on the defense. What a twist!
