FROM THE EDITOR! "UNSPOKEN THOUGHTS"

All of President Trump's appointees are in place and the corruption in Washington D.C. is in a panic. Kash Patel will be clearing up the corruption that has been in the FBI for decades. Then with out a doubt he will be turning his findings over to the new A.G. Pam Bundi. Then you will see the "Ship Hit The Sand"! Elon Musk is now the most hated person in Washington. How dare he point out the theft of our hard earned tax dollars to the public? I wish I had front row seats and a bag of popped corn to enjoy while the show gets rolling. It was revealed that Congresswoman A.O.C. had a net worth of \$13,000.00 just 10 years ago before being elected. Now this idiot is worth \$23,000,000.00. That is \$23 million for those of you who have trouble counting the zeros! How can the citizens of this great nation standby and let a moron of A.O.C.'s limited IQ not be held accountable for this great increase in her personal wealth? Oh, that's right, Obama is now a multi-millionaire after 2 terms. Clinton's are also in the same catagory as the Obama's! I keep hoping to see a whole lot of these traitors get exactly what is coming to them. I hope that Kash Patel, head of the FBI releases the Epstein list to the public. After all, we are rightfully due an explanation. Personally, I want to hear that Hillary Clinton has made hundreds of copies of her suicide notes to had out to all the guilty parties that are in need of some prison time. It also has become known that the FBI has been warning illegal aliens that ICE was looking for them and helped them avoid capture. Homan said once he has the names of these corrupt FBI Agents he will arrest them. The Left and Corrupt Right need to understand that the bullshit of the last 10 years is over. Trump is back, smarter, stronger and more determind to save this nation from the evil that has been introduced on every level in our nation. Now our children have a chance to be just that, children.
