**FROM THE EDITOR!
"UNSPOKEN THOUGHTS"**

You just can't make this up! If I had known in advance that the ridiculous crap going was coming, I would have made myself a bigger tub of popcorn. Cory Booker from New Jersey broke a long held record in Washington last week. He talked for over 25 hours nonstop, this is not really that difficult to understand if you look at the fact that he is one of the biggest wind bags in Washington. Booker is windier than a grained up goose. Without a doubt his secret to success was the fact that Diaper Joe Biden left an unopened box of adult diapers behind when he left Washington. Trump's tariffs have every dirt bag in the Global Community up in arms. How dare he stop us from helping ourselves to the money the politicians in Washington allowed us to take for many decades? After all, the politicians in the United States were rewarded by kickbacks and many became millionaires in a very short time. Once again you have to ask why it seems only the very filthy rich in our nation are up in arms that Trump is wanting to level the playing field and get back some of the wealth that has been stolen from the taxpayer for as far back as you can remember. It is high time that AG Pam Bundy and FBI Director Kash Patel start picking up the bastards that have sold us out. Do you think that Mitch McConnell cares about anything other than being married to a woman from China who's family is like the 8th or 10th richest? Do you think that Chucky Schumer cares about anything other than power and personal wealth? The only thing that still stops these bastards from really going at us hard and heavy is the Second Amendment. Trump is pushing for CCW reciprocity. This is a good thing and a great thing. When a bad guy with a gun thinks you also have a gun, he is less likely to go for his gun. If your neighbor is against firearms and refuses to own one, post that in his front yard, make him proud of being a non gun owner!
