**FROM THE EDITOR!
"UNSPOKEN THOUGHTS"**
WAKE UP AMERICA!

Under President Trump, the borders are closed, very few encounters at our border, not like the mess that we saw under Diaper Joe and the Jamacian Ho. It wasn't bad policy, it was a well laid plan to take us down from first place in the world. Trump's tariffs are starting to work if you just let Trump be Trump. The world and our own corrupt politicians have been selling us out for years. If that was allowed to continue, we will be Russian before 2030. The Stock Market is down, it will recover as it always does. I hear all the complaints on the Liberal News Channels. The price of regular gasoline in the nation is around \$3.00 a gallon or lower. Not in good old Commie-fornia. Under Whip Lips Newsom we are still getting a really good screwing at the pump. The bright side to that is now you can't complain that you're not getting screwed enough in you personal life! Just hope it leads to a very happy ending with a kiss. The Sheep in Commiefornia just keep letting the corruption step all over your hard earned tax dollars. There are several investigations in place by the DOJ on the corruption and the theft of our money. Musk is on a paper trail right now that is leading to Washington DC, Chucky Schumer is having a fit over this. Musk asked Schumer on "X", "What's the problem Chucky? Will this lead to you?" Musk is probably the only person on the planet that is hated more than President Trump. We need to stand strong and support Trump. When the Congresswoman AOC was first elected she had a net worth of \$13,000. Now just a short time later, AOC now has a net worth of around \$26 million dollars. How in the world did that happen, she has the IQ of a grape. I guess when a bartender can blow enough smoke up your ass to get a good tip and the end of shift, Aoc can really lock those lips around your whatever and give you a really great happy ending for a much higher price.
