**FROM THE EDITOR!  
"UNSPOKEN THOUGHTS"**

WAKE UP AMERICA!

WOW!! A United States Senator went to El Salvador to bring back an MS-13 gang member who was deported due to his criminal activity. The Left Corrupt Media is losing their minds that Trump sent a criminal back to his country and they are demanding that an El Salvador Citizen be flown back immediately at tax payer expense. These bastards need a size 14 boot up their ass. Have you noticed that all these individuals that want criminals returned to or not deported from our country are not saying, "These poor people need compassion and can come and stay at my house!" I am so sick of all the treason, corruption, and criminal activity, not from illegal's, from our own elected representatives. Our Constitution doesn't give illegal's any rights. As a society, we being a Christian nation, give human treatment to these law breakers before we send them to there home countries. Diaper Joe's time in office was the dream of all the Socialist/Communist Traitors in our nation. We all know Diaper Joe wasn't running the country. Obama, Clinton, Bush, Cheney were calling the shots. They had a plan in place to remove firearms from our citizens with the guise of eliminating HOME GROWN TERRORIST and the threat from such. This means they could show up to anyone's home in the middle of the night and kick in your door and physically remove any and all firearms. If you think that you want to live in a society that has no means of defense, move to any of the European countries. These countries let the Muslim influx in with no vetting are regretting it daily. The number of rapes, murders, robberies are off the charts. I have many times stated that the only thing Third World can bring to our nation, is Third World Mentality. If this editorial or any of the others I have published offends you, I don't care. I defended this nation as a young man. I never defended your right to commit treason. Think about it.
