**FROM THE EDITOR!  
"UNSPOKEN THOUGHTS"**  
WAKE UP AMERICA!

Two judges were arrested for aiding illegal's. The congress, senate, judicial system is in a meltdown over the President executing his powers that are given in the constitution. The reason that this is receiving such outrage is that also cut into all the money that our elected representatives rake in under the table. You can't sit there with a straight face and tell me that there wasn't any wrong doing going on in Washington D.C.? These bastards have sold us out for decades. If you check on their family tree, you will find 2nd, 3rd and 4th generations in our government. We need to remind the scum that they are our employees. I have to take a deep breath when I am around the politicians so as not to lose all control and verbally destroy them when they honor us with their presents. I want all the citizens in our nation to be treated with respect when they are addressed by every politician in the nation. We have terrorist in our country that mean us great harm. If they don't hit us on Memorial Day, I feel for sure that they will hit us on the 4th of July as we celebrate our 250 years. I have done the research, I can shut down all of Southern California and I only need 144 men to do so. As we get closer to the 4th of July, I am giving great thought to printing my warning that I have informed Law Enforcement with a got no response? If I figured it out, you better believe that the terrorist have also.
