**FROM THE EDITOR!  
"UNSPOKEN THOUGHTS"**  
WAKE UP AMERICA!

In the last 6 months the accomplishments of our President are beyond compare. He took out the nuclear sites in Iran. He has kept inflation in check. He has pushed to remove illegal's that are in our country because of the last administration. The corrupt judges on the Left issue injunctions against Trump's efforts, jus to have the Supreme Court rule that Federal Appointed Judges don't have the authority under our Constitution to stop the actions of the President. L.A. Riots over the deportation of illegal's stopped by the California National Guard through Trump's orders since the Joke Mayor of L.A. Karen Bass ordered the police to stand down. A.G. Pam Bundi teased that the justice department is looking at the indictment of former F.B.I. Director Christopher Wray for his actions in covering up the China effort to steal the 2020 election with false ballots. Rwand and the Congo meeting for a peace agreement with President Trump to secure peace in their coun-tries. I.C.E. can pick up the illegal's that are here and send them to third countries for deportation. President Trump, with tariffs, is bringing in to our country billions of dollars on a monthly basis. As always the corrupt, treasonous media is on the attack to discredit and destroy any accomplish-ments that Trump's Administration can put in place to "MAKE AMERICA GREAT AGAIN!"
