***FROM THE EDITOR!  
"UNSPOKEN THOUGHTS"***  
WAKE UP AMERICA!  
First I would like to address the terrible loss of the children and adults in Kerr County Texas. I can't imagine the pain the survivors of the flood are feeling. Our prayers go out to this and the flood that hit in New Mexico. Such sadness the citizens of this area are dealing with. I hope that this tragic event is the last we hear about in our nation. What should have been a wonderful day enjoying the holliday weekend became a nightmare. President Trump visited Kerrville and his attitude was solemn. President Trump was not there to make it about him or the First Lady, he was there to console the community. When he was asked about taking questions, he replied that he would provided the reporters kept the questions respectful of what had happened to this community. He wasn't there to be grilled about Epstein. Our news media is a corrupt joke. They are totally controlled by the evil that has taken root in our nation. If we allow this to continue we will lose this country and it's freedoms that it offers. When you have mayors, governors, politicians that are fighting tooth and nail against keeping our freedom from the "Global Community, formerly the One World Order", you know it is not if, but when that our country falls. If we fall, so goes the world. When you remove God from the children, you open the door for Satan.
