FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

WAKE UP AMERICA!

WOW! The DOJ is actually getting a pair of balls! It is looking like the Russia Hoax that has been a lie all this time is finally being investigated. It seems, that there are many high ranked officials that could and will be indicted. Top of the list, to no one's surprise, Barack Obama, Bill & Hillary Clinton, James Comey and a multitude of our high ranked security officals that said that our President was backed and put in office by Russia. I want to see everyone of these treasonous bastards put in prison. I want to see Barack H. Obama do the perp walk. I want to see this two faced liar with all his other traitors executed in public as a warning to future generations not to cross that line. When you have politicians Dem's and Republicans support illegal's in this nation over American Citizens you have to draw the line. We have been sold out time after time by a very smooth talking, good looking, bottom feeding traitors. The attorney's that also are backing the destruction should also be added to that list of traitors along with the liberal media. If we don't get our heads out of our asses and call a skunk a skunk, we will fall. These bastards that sold us out have become very wealthy at our expense. I hope that we see the end of this horror show. Epstein's list is simle, just identify the individuals that are in the sex tapes, there's the list.
