**FROM THE EDITOR!**  
**"UNSPOKEN THOUGHTS"**  
Washington D.C.'s corruption knows no party lines, ruining American citizens as billions vanish overseas. Both Democrats and our own Republicans funnel trillions into foreign wars and aid, inflating our debt while families face financial ruin. Ukraine's \$175 billion package and \$8 trillion Middle East costs exemplify this theft, enriching elites abroad as inflation soars and infrastructure crumbles at home. "Politicians, hooked on power and payoffs, won't end it. It's up to us: vote out grifters, push term limits, demand audits, and rally for accountability. As a California businessman, I know honest work builds futures — not D.C.'s or Sacramento's scams. Reclaim our dollars before we're bankrupt. As a veteran of the , I know from personal experience behind the scenes the true face of our corrupt politicians. This is from first hand knowledge. The word is that our Gov. Newsom is at the top of the list for the Dems to be our next President in 2028. If this shit storm becomes reality, you will see more of the same. Gov. Newsom, I call him "Whip Lips", is a self serving P.O.S. that needs to be turned out at the end of his term. If for one moment you think he is the answer you are the problem. Call Me! or email: editornickelshopper@aol.com I would like to hear your thoughts 760-298-0902
