FROM THE EDITOR!
"UNSPOKEN THOUGHTS"
Gavin Newsom and all the other politicians who think that illegal's have the same rights of American Citizens should be held complacent and charged when an illegal harms or kills one of our citizens. This is a message to all you liberals included in this crime against our citizens. The only rights that an illegal is to expect from our society is the right to humane treatment before their asses are put on a plane, train or boat to the shit hole they came from. I am so tired of hearing about the loss of family members, in Florida an entire family, who are harmed or killed by one of these "Global Wetbacks"! Second, the whole concept of the LGBTQXYZ movement is the precise reason God destroyed Sodom and Gamorrah. When a society makes excuses about degenerate behavior and starts pushes this as normal you have lost your direction in life and your soul. If my editorials offend you my only thought is don't read it. I am sick and tired of politicians such as "Whip Lips Newsom and Pencil Neck Schiff" standing firm against our values that our fore-fathers set to form this "Republic". If the "Ten Commandments" upset you when it is put in schools for our children you are part of the evil.
