FROM THE EDITOR!
"UNSPOKEN THOUGHTS"
In 1977 second runner up in the Miss America Pageant, made the public statement about the Gay and Lesbian movement. They can't reproduce, they have to recruit. This was a statement that had the "Queers" get their panties in a bunch. Now 48 years later the Queers and the Degenerate Left and on the Right have proven her statement was fact. If you think that a man can become a woman and a woman can become a man you are in need of psychiatric help. When you are a child the last thing you need your parents to take you to is a Trans Strip Show. If you think it is a great movement forward to promote the degenerate public behavior of these mentally ill individuals you are just as sick. On the Left you see President Trump being attacked over his moral beliefs. Yet, Trump raised his kids to respect the law, make good moral judgments and love the country. On the other hand you have people like Diaper Joe Biden who raised a son to be a piece of shit. Yet the media defends Hunter Biden and says it is wrong to attack the child of a President. Yet, it didn't stop the media when attacking Barron Tump saying you can name him Barron, but he will never be a Barron. Really?
