FROM THE EDITOR!
"UNSPOKEN THOUGHTS"
RFK was grilled in front of the Senate Investigation Commity who are totally against the truth coming out about the danger and harm that the vaccines have caused in the last 30 to 40 years. Every one of these bastards that have it in for RFK have received hundreds of thousands of dollars in donations. They are terrified that the public gets full knowledge of the bullshit they have been fed for decades. I wasn't a fan of RFK, didn't care for his father. However, since RFK left the Democrat Party as an independent and is exposing all the corruption that has always been there I have to say he deserves respect. These bastards in our government are out elected representatives, they are not our boss. It is high time that they start explaining how Fauci was able to kill millions of people world wide with his lies. Fauci's persona wealth went up by \$7.5 million dollars. Wow, that is \$1 dollar in his pocket for every person who died during covid. Till we start physically putting a foot up some one's ass in Washington it will be more of the same shit just a different day. The Deep State, aka, The Swamp is fighting back behind the scenes to block out President's efforts to keep us safe.
