FROM THE EDITOR!
"UNSPOKEN THOUGHTS"
On September 10th, 2025 our nation saw a good young man of values assassinated at a college campus in Utah. Charlie Kirk was a loving husband, father and wasn't affraid to put his life on the line for our nation. Kirk struck fear in the hearts of the vile, evil that has been attacking our nation for the last 11 decades. Charlie never talked down to any of the individuals that questioned him. Charlie took time to hear the questions that people asked and gave a sincere answer. Charlie, a great example of what a moral person should be, never responded in anger. Charlie had a calm way of dealing with individuals whom made it clear they were there to attack him and his values. The bottom feeding piece of crap that assassinated Charlie had put his plan together and had even told individuals about his intent. If there is to be justice for the Kirk family and our nation, this walking turd needs to be tried and executed just as quickly that he ended Charlie Kirk's life. We as a nation need to start dealing with this evil once and for all. When you embrace evil and then push it upon others you need to go. Rest in peace Charlie Kirk, you are loved more than you ever could imagine. Call Me! or email: editornickelshopper@aol.com *I would like to hear your thoughts 760-298-0902*
