FROM THE EDITOR!
"UNSPOKEN THOUGHTS"
As of October 23, 2025, Governor Gavin Newsom has not released a public statement about the tractor-trailer crash that occurred on the 10 Freeway in Ontario on October 22. The driver of the tractor trailer Jashanpreet Singh, 21, of Yuba City, was arrested at the scene on suspicion of felony DUI and gross vehicular manslaughter while intoxicated. Authorities claim toxicology tests indicated impairment by drugs. If you think that this piece of garbage needed to be protected by the Turd Balls on the Left from being deported you indeed are part of the problem with what is happening to our country. Those of you who suffer from TDS are also the blame in the loss of 3 of our American Citizens to another Third World Mongrel that never should have been here. I personally think that Whip Lips Closet Queen Newsom needs to be held resposible for this terrible criminal act. When you have people that are protesting about the rights of illegal aliens, whom I prefer to call Global Wetbacks, over our own citizens there is a sever problem with their mental wiring. We need to clean house once and for all and send the illegal's back where they came from with a liberal in each arm.
