FROM THE EDITOR! "UNSPOKEN THOUGHTS"

Closet Queen Newsom strikes again at American Freedom. "Prop 50's "Election Rigging Response Act" just passed, 55-45 %, in a midnight mail-in avalanche that would make Stalin blush. The same governor who locked you in your house now locks Congress in Democrat hands for a decade—five extra blue seats, courtesy of a legislature-drawn map that spits on California's voter-approved independent commission. "This isn't "Trump-proofing." It's self-proofing. While Texas redraws for fairness, Commiefornia redraws for power. No voter ID, 6.7 million unverified mail-ins, non-citizen DMV auto-registrations—Trump's DOJ monitors in five counties saw the smoke, but the fire's already counted. X is ablaze with videos of group-vote coaching and envelope "glitches" exposing No votes for the trash. "Newsom's victory lap? "Democracy saved!" Translation: Their seats saved. The same machine that mails ballots to the dead, the deported, and the dog now mails you the bill. "Welcome to the People's Republic of California—where your vote counts... as long as it's theirs.
