Pamela's World! Hello my friends,

Hello my friends, actually truth be told I'm not sure how many I have left ? This heat is brutal & I'm not very pleasant to be around, I know for fact that I sweat & I don't GLISTEN ! Ever since having a heat stroke, the summer heat & sun are becoming more intense on my skin . so besides sun block, I have to change my clothes. So i put the daisy dukes & thongs away & were lighter colors , long sleeves & a sexy hat, lets not forget the sunglasses & WATER !! then can go out. Mother nature will always win !! There is a God ,& your not it ! If your going to Pray.. why Worry....& If your going to Worry why ..PRAY! When a problem hits you. Please i said - PLEASE- let it go. I believe I can start my day over any time i need to. Prayers help ! hand it over, Let it go. GOD doesn't need or want your help. No matter what ever it is. Never how small,big, or many of them that life throws at you Throw it back. Stress is Ugly & it's not a good look. I know it won't be easy for some of you who like to hang on & let EVERY body know your bag of shit but at least try ,for the sake of your loved ones stress can age ya & even kill you. I enjoy meeting so many of you. My Goal is to help you laugh, smile& leave you with positive mess. about what ever you are going through ! celebrate, laugh, sing, draw, swim or what ever your passionate about !!

Lil Sista,

Up Your Income! E4F5

San Bernardino, California. Waterman Canyon fire. As everyone who is familiar with the canyon knows, it is very steep and the make it hard to fight from the ground. The fire will burn up the canyon walls till it hits the top of the mountain near Crestline, Ca. The fire will have to be fought by air. The ground units will probably be at the top preparing to fight the fire if it reaches that point. They will be removing debris and under growth that would feed the flames and put the mountain communities in jepardy. God bless the fire fighters!

**FROM THE EDITOR!
"UNSPOKEN THOUGHTS"**

Everyone is aware of the loss of life in Charlottesville, Va. It is a shame that anyone was killed or injured. The media and the Left went after Trump and tried to connect him to the Alt-Right, White Supremacist and the KKK. All because he put the blame where it belonged. Both sides of the issue showed up, armed, looking for a fight. One side says it is in the right since they are against everything the White Supremacist represent. The White Supremacist are claiming that they are in the right. Both sides were guilty of causing the actions that cost a young woman her life. Naturally, we know the the KKK, White Supremacist, Nazi Movement are nothing but trouble looking for a place to happen. I put the New Black Panthers in that same group and mind set. They blast Trump for not calling these groups out when he first addressed the issue. On his second address he called it the way the media and Washington D.C. wanted. My thought on this was simple. If Trump is called out to speak out against the White Supremacist, why was Obama and Holder never called out for not denouncing the New Black Panthers as the hate group that they are? We are living under a double standard. If you are not on board with the SNOWFLAKE AGENDA, you will be called out and punished publicly. No matter what Trump did or said, the media and the left would and will find fault with his actions. We allow the media and the WALKING, TALKING, CRAP BAGS that we call our elected representatives to over charge us for accomplishing absolutely nothing in Washington D.C.. Mc Connell said Trump doesn't know how to work in Washington D.C.. He is right! Trump is from the real world where you have to produce and are held accountable. In Washington, they don't produce, they are not held accountable, and don't expect them to accomplish anything till they get back from vacation or lunch! What a FXXKING JOKE!!!
