**WANTED FOR TREASON
 AGAINST AMERICA AND
 HER CITIZENS**

These 4 have been in Washington way to long. Not one of them has done the job that they swore under oath to execute in the interest of the people that they serve. Each one of these need to be given the opportunity to resign or face appearing under oath to account for the criminal activity that has been in process for the last 6 years. We don't need to go back decades to investigate them. We all know that they have lined their pockets at the expence of the tax payer. This is the top of the list from both sides of the isle. Let us see the tax returns from these four bottom feeding leeches.

PRAYER

A Novena to Saint Jude and the Sacred Heart of Jesus: May the Sacred Heart of Jesus be adored, glorified, loved, and preserved throughout the world, now and forever. Sacred Heart of Jesus, have mercy on us. St. Jude, worker of miracles, pray for us. St. Jude, help for the hopeless, pray for us. Say this prayer nine times a day, by the 8th day your prayers will be answered. Thank you. St. Jude for interceding for me.

This nation needs this more than ever. We are in times where evil VS. good.

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

The Republicans just don't get it do they? They finally got a small control in the house and instead of moving forward with investigations on what has happened in the last 6 years they fiddle faddle. That is about par for the course. Pelosi is out of Speaker of the House and if the Republicans would get their act together they could release the 14,000 hours of video that Pelosi has sat on for the last 2 years. The sad part is that there is the same amount of corruption on bothsides of the isle. They have dirt on each other, and you better bet that the F.B.I. has dirt on all of them. Why do you think that Christopher A. Wray is so cocky when he is in front of Congress and then excuses himself so he could go on vacation? Really? I would put that corrupt sack of garbage on permanent vacation in one of our great federal prisons. The people in the nation need to wake up and remember that these bastards work for us. A few week's back I had a gentleman call in and said that he was upset that the Nickel Shopper had become a political publication. Well Harry, yes I know your name Harry, if you weren't running around kissing asses all day in your busy little life and took notice and actually strapped on a pair of balls and call out our congressman Olberholte I wouldn't have to write about what a joke our nation is becoming on the world stage. The other publications and media talk shows are so busy sucking up to the corrupt bastards, some one needs to take a stand and set the record straight. I served this country and have my DD-214. Sometimes I wonder if I would serve again if I had knowledge is what a bunch of degenerate bastards would be doing at this point in time and no one wants to call them out.

Call Me! or email: editornickelshopper@aol.com
I would like to hear your thoughts 760-298-0902
