These 4 have been in Washington way to long. Not one of them has done the job that they swore under oath to execute in the interest of the people that they serve. Each one of these need to be given the opportunity to resign or face appearing under oath to account for the criminal activity that has been in process for the last 6 years. We don't need to go back decades to investigate them. We all know that they have lined their pockets at the expence of the tax payer. This is the top of the list from both sides of the isle. Let us see the tax returns from these four bottom feeding leeches.

PRAYER

A Novena to Saint Jude and the Sacred Heart of Jesus: May the Sacred Heart of Jesus be adored, glorified, loved, and preserved throughout the world, now and forever. Sacred Heart of Jesus, have mercy on us. St. Jude, worker of miracles, pray for us. St. Jude, help for the hopeless, pray for us. Say this prayer nine times a day, by the 8th day your prayers will be answered. Thank you. St. Jude for interceding for me.

This nation needs this more than ever. We are in times where evil VS. good.

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

Well, it's the 3rd week of the New Year and I would like to say that so far, so good. We have a nation that is on the edge of no return. Just because the Republicans took back the House doesn't mean that anything is going to change. The double standard that has become acceptable in Washington D.C. has never been seen in this country since it's founding. Trump as President had the ability to declassify any document with just a word. The raid on his home was applauded by the media and the rest of the Swamp Creatures. Biden had no such power as Vice-President and yet the media sees no problem with Top Secret Documents being found in his personal office, garage and who knows where else? Diaper Joe has been corrupt since he was first elected. Diaper Joe is planning on running again in 2024 at the age of 82. The Swamp knows that he is going to be investigated with his son for all the Pay to Play that this family has been involved in for decades. The Left in Washington is fine with the fact that he is a traitor, most of them are also traitors. We have a faction of degenerates that have pushed this behavior to a point that the public is now numb and can't really see it for what it is. When you think taking your 5 and 6 year old children to a drag show and don't see any harm, you are a very special type of stupid. As everyone knows stupid can't be fixed. The F.B.I. has been exposed for the corrupt organization that I have always known to be corrupt with first hand knowledge. If you think that Diaper Joe is and has done a great job you are without a doubt a bigger idiot than your children think you are! I think that in order to vote you need to take a test of your cognitive ability as proof you are not brain dead.
