These 4 have been in Washington way to long. Not one of them has done the job that they swore under oath to execute in the interest of the people that they serve. Each one of these need to be given the opportunity to resign or face appearing under oath to account for the criminal activity that has been in process for the last 6 years. We don't need to go back decades to investigate them. We all know that they have lined their pockets at the expence of the tax payer. This is the top of the list from both sides of the isle. Let us see the tax returns from these four bottom feeding leeches.

PRAYER

A Novena to Saint Jude and the Sacred Heart of Jesus: May the Sacred Heart of Jesus be adored, glorified, loved, and preserved throughout the world, now and forever. Sacred Heart of Jesus, have mercy on us. St. Jude, worker of miracles, pray for us. St. Jude, help for the hopeless, pray for us. Say this prayer nine times a day, by the 8th day your prayers will be answered. Thank you. St. Jude for interceding for me.

This nation needs this more than ever. We are in times where evil VS. good.

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

Heavy rains have hit California with record numbers. The Sierra Nevada range has received between 100 and 200 inches of snow fall. Northern California has had floods and loss of life. I send my thoughts to the families of those who lost loved ones in this disaster. It seems that this has shot Gov. Whip Lips Newsom right in the ass with his hysteria about the drought. If the corrupt politicians had not pissed away all the billions of dollars over the last 20 years, they could have built arroyos. We could have captured the water, kept our citizens safer and saved the water for our personal use and that of the farmers. Where in the world does the Left think food at the grocery store comes from? It doesn't magically appear on the shelf in our stores! We are now facing a bigger threat than we have ever faced in the history of our nation. China, Iran, Cuba, North Korea and Russia are pissing in our cereal bowls and know that Diaper Joe is doing good just to eat an icecream cone. Diaper Joe can't and won't change a single policy. Obama had bragged that if the right morron were elected he would and could have a 3rd term in office. Obama hates this country and the lifestyle of her citizens. He will do everything within his power to make sure that he sees our downfall. The Biden's, Clinton's and the rest of the corruption in our nation think that they will be our rulers. I don't think they realize that with the backing of Russia and China they will be removed once we fall. Question for all to think about. Why would China, Russia, Iran and North Korea put any trust in American Politicians who have betrayed their own people for personal gain?

Call Me! or email: editornickelshopper@aol.com
I would like to hear your thoughts 760-298-0902
