WANTED FOR TREASON AGAINST AMERICA AND HER CITIZENS

John Kerry and Al Gore.
 Two over the hill hypocrites that we need to remove from any further dealings with foreign nations that was not authorized or ask for by the American Citizens. Both these toilet lickers need to be investigated for treason. At the so call meeting for global warming, these two and other over stuffed colostomy sacks look down their nose at the working man. They have the priviledge of being really rich and instead of using their money to start the movement to stop global warming, they are planing to use your tax dollars to hand out to every corrupt organization they can just to teach you a lesson.

PRAYER

A Novena to Saint Jude and the Sacred Heart of Jesus: May the Sacred Heart of Jesus be adored, glorified, loved, and preserved throughout the world, now and forever. Sacred Heart of Jesus, have mercy on us. St. Jude, worker of miracles, pray for us. St. Jude, help for the hopeless, pray for us. Say this prayer nine times a day, by the 8th day your prayers will be answered. Thank you. St. Jude for interceding for me.

This nation needs this more than ever. We are in times where evil VS. good.

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

I have a question for you? Do you personally know anyone who thinks Diaper Joe and the Jamaican Ho are doing a good job for the country? Biden came into office under questionable circumstance. The Left has ignored all the violations of the law from the Biden family for decades. As Vice-President under Obama, he and his family have lined their pockets with money from some of our worst enemies. Washington as a whole said nothing, not because they were not aware, because they are that corrupt. The Crack Head son Hunter blew paint on paper and received millions and the media and politicians said as a private citizen he had the right. If it were any of the Trump's that were pulling this shit, you would see the corrupt F.B.I. breaking down their doors in full combat gear. Listen up, we have one chance to save this nation that is ours. Yes ours, we are the ones who tell the corrupt colostomy sacks in Washington what to do, not them telling or ordering us in our daily lives. The Left is fine with teaching kindergarten children how to be degenerate, but don't dare try to teach them about God. We lost our way, most of the sheep out there are to busy wondering what they can put on Tick-Toc. We have ruined a whole generation with the mask mandates. With the new elections coming in 2024 you better bet that they will do everything to seal that election also. The election in 2022 was a joke and the whole world especially China, Iran, and Russia are laughing at us. If we don't get a President as Donald J. Trump we will be losing all our children, money, homes and freedom that many men have died to protect. Don't let their deaths be in vain. God help us.
