**WANTED FOR TREASON
 AGAINST AMERICA AND
 HER CITIZENS**

John Kerry and Al Gore.
 Two over the hill hypocrites that we
 need to remove from any further
 dealings with foreign nations that
 was not authorized or ask for by the
 American Citizens. Both these toilet
 lickers need to be investigated for
 treason. At the so call meeting for
 global warming, these two and other
 over stuffed colostomy sacks look
 down their nose at the working man.
 They have the priviledge of being
 really rich and instead of using their
 money to start the movement to stop
 global warming, they are planing to
 use your tax dollars to hand out to
 every corrupt organization they can
 just to teach you a lesson.

PRAYER

A Novena to Saint Jude and the Sacred Heart of Jesus: May the Sacred Heart of Jesus be adored, glorified, loved, and preserved throughout the world, now and forever. Sacred Heart of Jesus, have mercy on us. St. Jude, worker of miracles, pray for us. St. Jude, help for the hopeless, pray for us. Say this prayer nine times a day, by the 8th day your prayers will be answered. Thank you. St. Jude for interceding for me.

This nation needs this more than ever. We are in times where evil VS. good.

**FROM THE EDITOR!
 "UNSPOKEN THOUGHTS"**

This week is a hard one for me to come up with a topic that would actually be on a up note for a change. We have seen as much as we can handle as a nation. We have politicians that think they are the second coming. We have people in the private sector that believe they know better than you about raising your children and what their moral values should be or lack of. We have a generation that has no idea which bathroom to use. We have men pretending to be women and if you don't agree with them and use their new identity you are a bad person and need to be punished. This goes back 60 years when an atheist was offended that we had the nerve to have morning prayer to start the day when we were in school. As things moved forward over the last 6 decades we have been lowering our standards and expectations so as not to offend others. Every time we gave an inch, the degenerates took a mile. We were afraid to take out the trash. By that I mean we began listening to the liberals that prison was bad, the death penalty was bad, the respect for the flag was bad, the respect for family values was bad. For a woman to be told by a man pretending to be a woman that he knew more about being a woman than her. We have people who pushed the false narative about vaccines that in the long run could ruin your health or even kill you. We have a President that has made millions for himself and his family selling us out. We have lost touch with the real world and logic. If you stand up against the criminals that have taken over you will be punished. What can you do? I suggest that maybe you take a knee and say a prayer that God gives us the strength to unite and defeat the evil that has taken a hold on our nation.

This FEBRUARY 2023 Trevor's Happy Hour will promote THE HOLLYWOOD SHOW ..

I'll be with a bevy of other TV folks - over 100, in fact - at "The Hollywood Show" at the Burbank Airport Marriott to meet, greet, take photos, sign books, tell jokes, gossip about Bob Barker, divulge "Supermarket Sweep" secrets, talk about Pat Sajak counting down to his retirement, and generally be my usual obnoxious self. I'll be next to hosts Bob Eubanks and Richard Karn, near my old pal from "Car 54," Hank Garrett, and down the aisle from the "Happy Days" crowd of Henry Winkler, Donnie Most and Anson Williams. It's a great place to score some unique TV and movie memorabilia, meet kindred spirits, and peruse dozens and dozens of familiar faces. At the risk of getting a nasty letter from Fremantle, I invite you to Come On Down! INTERVIEWS WILL BE UP ON THE WEBSITE TO LISTEN GO TO <https://trevorshappyhour.com/ininterviews/> AND LISTEN !Please share with anyone that might be interested. It will also be on YouTube with my previous interviews SOON !!!! ENJOY!

Did you hear that Nancy Pelosi was having a priest to exorcise her home to remove evil demons?

Yes I did! I don't think she thought it through. After the priest performs the exorcism where is she planing on living?
