**WANTED FOR TREASON
 AGAINST AMERICA AND
 HER CITIZENS**

Just like infamous dictators in history
 Gavin Newsom as Governor of the
 State of Commiefornia has shown
 us a preview of what he would be
 as President of the United States.
 Just as Justin Trudeau has become
 the Tyrant of Canada and you will
 obey or be destroyed, you better
 bet that Whip Lips Newsom would
 not allow that Canadian Commie to
 out shine him in taking away your
 rights. With Whip Lips Newsom in
 control there will be two sets of laws
 the ones for us, and the ones that let
 the elites of Washington steal every
 dollar you have ever earned or saved.

This empty scrotum sack needs to
 hear loud and clear, "Piss Off Wanker"
 from the citizens that are tired of him
 acting like they should kiss his ass.

PRAYER

A Novena to Saint Jude and the Sacred Heart of Jesus: May the Sacred Heart of Jesus be adored, glorified, loved, and preserved throughout the world, now and forever. Sacred Heart of Jesus, have mercy on us. St. Jude, worker of miracles, pray for us. St. Jude, help for the hopeless, pray for us. Say this prayer nine times a day, by the 8th day your prayers will be answered. Thank you. St. Jude for interceding for me.

This nation needs this more than ever. We are in times where evil VS. good.

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

The American Citizens should be screaming loud and long about the elected colostomy sacks in Washington allowing Diaper Joe to let a Chinese Spy Balloon float across our military facilities and then our entire nation before giving the order to shoot it down. We have no idea what information was transmitted to China. If we had shot it down over land with one well placed bullet the balloon would have made a slow decent to earth and the chance of someone being injured would be almost at .01%. Having the military take it out of the sky with a missile destroyed every bit of evidence of what was really the purpose of the so called run a way balloon. We are at a point we need to start rethinking our position as the rightful owners of this country and the government. Schummer, Pelosi, McConnell are not our overlords. Biden is a corrupt bastard as the rest of the Washington Swamp that has screwed us every step of the way without fear of being held accountable. I thought that Speaker Pelosi said that no one, not even a President is above the law? Well that only applies if your family name is Trump. Hunter the Crack Head, Whore Hopper has made millions of dollars off sales of art that I would not use in my outhouse. Gavin Newsom is another walking, talking garbage bag we to remove from office. Newsom is another little bastard that hopes to become a Little Hitler Dictator just like the one in Canada. We need our Second Amendment to be able to protect us from this ever happening. This needs to end. Call our Congressman Jay Olbernotte's office and let him know that he also needs to step up or step out. His office number is Office 202-225-5861. Put the pressure on while we have a nation. Call Me! or email: editornickelshopper@aol.com
I would like to hear your thoughts 760-298-0902

This FEBRUARY 2023 Trevor's Happy Hour will promote THE HOLLYWOOD SHOW ..

I'll be with a bevy of other TV folks - over 100, in fact - at "The Hollywood Show" at the Burbank Airport Marriott to meet, greet, take photos, sign books, tell jokes, gossip about Bob Barker, divulge "Supermarket Sweep" secrets, talk about Pat Sajak counting down to his retirement, and generally be my usual obnoxious self. I'll be next to hosts Bob Eubanks and Richard Karn, near my old pal from "Car 54," Hank Garrett, and down the aisle from the "Happy Days" crowd of Henry Winkler, Donnie Most and Anson Williams. It's a great place to score some unique TV and movie memorabilia, meet kindred spirits, and peruse dozens and dozens of familiar faces. At the risk of getting a nasty letter from Fremantle, I invite you to Come On Down! INTERVIEWS WILL BE UP ON THE WEBSITE TO LISTEN GO TO <https://trevorshappyhour.com/ininterviews/> AND LISTEN !Please share with anyone that might be interested. It will also be on YouTube with my previous interviews SOON !!!! ENJOY!

We are BACK!

Why did President Biden wait to shoot down the Spy Balloon from China passed to the east coast?

You have to understand that like any good employee, Biden didn't want to upset his bosses. China owns the Biden Family!
