WANTED FOR TREASON
AGAINST AMERICA AND
HER CITIZENS

Just like infamous dictators in history Gavin Newsom as Governor of the State of Commiefornia has shown us a preview of what he would be as President of the United States. Just as Justin Trudeau has become the Tyrant of Canada and you will obey or be destroyed, you better bet that Whip Lips Newsom would not allow that Canadian Commie to out shine him in taking away your rights. With Whip Lips Newsom in control there will be two sets of laws the ones for us, and the ones that let the elites of Washington steal every dollar you have ever earned or saved.

This empty scrotum sack needs to hear loud and clear, "Piss Off Wanker" from the citizens that are tired of him acting like they should kiss his ass.

PRAYER

A Novena to
 Saint Jude and the
 Sacred Heart of Jesus:
 May the Sacred Heart
 of Jesus be adored,
 glorified, loved, and
 preserved throughout
 the world, now and
 forever. Sacred Heart
 of Jesus, have mercy
 on us. St. Jude, worker
 of miracles, pray for
 us. St. Jude, help for
 the hopeless,
 pray for us.
 Say this prayer nine
 times a day, by the 8th
 day your prayers will
 be answered.
 Thank you. St. Jude for
 interceding for me.

This nation needs

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

Train wreck in Ohio killing fish, animals, poisoning the water system and Transportation Secretary Buttigieg is only worried about diversity in construction jobs? Someone needs to tell this idiot after he is busy breast feeding that we are facing months or years of hazardous contamination like we have never seen. We have another train wreck coming just down the road. The number of Republicans that are throwing their hats in the ring for the nomination for President for the Republican Party is getting really out of line. Most of these people have fairly good credentials, not sure if they should be President, but that is not my concern. With so many starting to draw lines in the dirt they are not doing us any favors. Trump has the experience in how to take a failing business and turn it around, he has the knowledge to turn around a failing nation. Desantis, not bad, but he needs more experience in the scale of things we are facing. I think he would be a good VP. Then after 4 years Desantis could run for President and I think have enough first hand experience to do a great job. Nikki Haley has announced that she also is taking a shot at the Big Brass Ring, but also she needs more business knowledge. That is the problem with most politicians, no business experience and some never really have had a real job. With all this in house issue over who will be the one to make history the left is just looking over the horizon on how to steal a third election. I know that they stole the 2020 and 2022 election and will use the same cheating underhanded plan to do it again. They need to be called out on the treason they have committed, but the politicians on the right are just as corrupt and say nothing to draw attention.

Coming this MARCH 2023 Trevor's Happy Hour will promote IOWA 80, THE WORLD'S LARGEST TRUCK STOP with our co-hosts Madeline and Riley. Madeline likes drawing and candy and Riley loves Ronald Regan and making old truckers cry & BOTH LOVE THE IOWA TRUCK STOP. About Iowa 80 ...A place where people want to stop. On the eastern edge of Iowa, not far from the Mississippi River, adjacent to the small town of Walcott, you'll find a place like no other in the world. The Iowa 80 Truckstop, now the World's Largest Truckstop, established its home here in 1964 and is now in itself a home away from home to countless drivers and a destination for travelers as well. Some say Iowa 80 Truckstop is like a small city, others have likened it to a Trucker's Disneyland, all can agree it is a place not to be missed. Check them out on your next trip at iowa80truckstop.com
