**WANTED FOR TREASON  
 AGAINST AMERICA AND  
 HER CITIZENS**

AG Merrick Garland is another traitor  
 against this country and its citizens.  
 He has no business being AG. He is just  
 another corrupt player in the plan to  
 punish anyone who speaks out on the  
 degenerate issues that our President  
 Diaper Joe Biden is promoting. He is  
 refusing to do his job according to the  
 law and the constitution. He is getting  
 revenge for not being appointed to the  
 Supreme Court. He has directed the  
 F.B.I. to attack, intimidate and arrest  
 anyone who stands up against the  
 corruption that is ruining this nation.  
 He knows that he has to assist the  
 Left with their plan that has been in  
 place for decades. The plan is to  
 destroy this nation before 2024.

**PRAYER**

A Novena to  
 Saint Jude and the  
 Sacred Heart of Jesus:  
 May the Sacred Heart  
 of Jesus be adored,  
 glorified, loved, and  
 preserved throughout  
 the world, now and  
 forever. Sacred Heart  
 of Jesus, have mercy  
 on us. St. Jude, worker  
 of miracles, pray for  
 us. St. Jude, help for  
 the hopeless,  
 pray for us.  
 Say this prayer nine  
 times a day, by the 8th  
 day your prayers will  
 be answered.  
 Thank you. St. Jude for  
 interceding for me.

This nation needs  
 this more than ever.  
 We are in times where  
 evil VS. good.

**FROM THE EDITOR!**  
**"UNSPOKEN THOUGHTS"**  
 What a surprise, the Silicon Valley Bank is upside down! The Fed have taken over the accounts, they are trying to find out where the money went? The Silicon Valley Bank has been bragging, their words, "SVB is dedicated to expanding our commitments and investments to create a more diverse, equitable and inclusive company culture and innovation ecosystem. Well, that didn't seem to work for them. The Tech Corporations that have also pushed this agenda made a run on the bank and withdrew their money. This is just the first one in the long line of domino's that are going to start falling. You can pretend you are Woke and Inclusive and Deverse till the cows come home. In the long run you are going to end up with you and your employees looking for a new job in Diaper Joe Biden's America. We have remained on the sideline too long and did nothing. Maybe that was the right choice? Let the idiots who thought this was a great direction to start losing their asses. I personally hope that everyone who thinks that the direction that Diaper Joe has taken us goes broke. I hope that they think it was worth it to see Trump out of office and lose everything that they have spent their lives working for go down the toilet. I have a friend of mine who is a retired attorney who was set for life. His mother had left him a good inheritance and his own working effort was amazing. He went to school at Berkley. Needless to say he is a liberal socialist. Yes, he is my friend. I met him for lunch because he wanted to talk to me about his financial jam. He is now losing his ass. He took out a reverse mortgage, his stocks are tanking, he has inlaws living with him that are looking for work. I asked if he missed Trump, he said no.
