**WANTED FOR TREASON  
 AGAINST AMERICA AND  
 HER CITIZENS**

Probably the most corrupt organization since the MOB. The F.B.I. was run for decades by a cross-dressing pervert that the building is named for, J. Edgar Hoover. This individual was another mobster who had the advantage of his badge. It was total abuse of power. He had the dirt on every politician in the nation. Now we have Christopher Wray who laughs in the face of Congress and the American Citizens who pays his salary. Our Federal Government has been dirty for decades. They had the advantage of hiding it by keeping their dirty little secrets from public viewing. We need to clean house and have these bastards indicted for treason. They hate Trump because he exposed them to us.

**PRAYER**

A Novena to  
 Saint Jude and the  
 Sacred Heart of Jesus:  
 May the Sacred Heart  
 of Jesus be adored,  
 glorified, loved, and  
 preserved throughout  
 the world, now and  
 forever. Sacred Heart  
 of Jesus, have mercy  
 on us. St. Jude, worker  
 of miracles, pray for  
 us. St. Jude, help for  
 the hopeless,  
 pray for us.  
 Say this prayer nine  
 times a day, by the 8th  
 day your prayers will  
 be answered.  
 Thank you. St. Jude for  
 interceding for me.

This nation needs  
 this more than ever.  
 We are in times where  
 evil VS. good.

**FROM THE EDITOR!**  
**"UNSPOKEN THOUGHTS"**

Without a doubt the nation is caught in a Twilight Zone nightmare. When you have a corrupt government and degenerate teachers pushing perversion as normal you have lost touch with reality. When you have a system who targets individuals for their personal belief you have a Banana Republic. Our nation is facing a time of perversion that is now considered normal and all the people who are objecting to this are a target of the F.B.I. and I.R.S.. You are being controled with the treat of prison. Your children are being taught to spit on our flag and pay allegiance to the Queer Flag. This is the first step of killing our future. Trump being indicted is a poke in the eye of any patriot citizen who is silent. The goverment dares you to object to the New Woke One World Order. A woman, who said she was a man, killed 3 children and 3 teachers and the media refused to call out the Left. The media only aired the killings and not the Trans killer? So, if you defend your own or your family's lives you would be labeled a terrorist. This freakshow who was known to have mental issues was said to also be a victim. Diaper Joe Biden when making an address to the nation talked about icecream as his opening statement. What the hell is this crap? The media and C.D.C. are now pushing the next crisis a fungus that is going to kill everyone if you don't wear a mask. I told you that after stealing 2 elections the Left is putting in place theft of the 3rd election in 2024. We are losing control of our nation. The World Health Organization is now going to dictate when, where, and why you are going to lock yourself in your home. Where a mask. Take vacinations that you have no idea what harm it will do to you. Think about it?
