**WANTED FOR TREASON
 AGAINST AMERICA AND
 HER CITIZENS**

Probably the most corrupt organization since the MOB. The F.B.I. was run for decades by a cross-dressing pervert that the building is named for, J. Edgar Hoover. This individual was another mobster who had the advantage of his badge. It was total abuse of power. He had the dirt on every politician in the nation. Now we have Christopher Wray who laughs in the face of Congress and the American Citizens who pays his salary. Our Federal Government has been dirty for decades. They had the advantage of hiding it by keeping their dirty little secrets from public viewing. We need to clean house and have these bastards indicted for treason. They hate Trump because he exposed them to us.

PRAYER

A Novena to Saint Jude and the Sacred Heart of Jesus: May the Sacred Heart of Jesus be adored, glorified, loved, and preserved throughout the world, now and forever. Sacred Heart of Jesus, have mercy on us. St. Jude, worker of miracles, pray for us. St. Jude, help for the hopeless, pray for us. Say this prayer nine times a day, by the 8th day your prayers will be answered. Thank you. St. Jude for interceding for me.

This nation needs this more than ever. We are in times where evil VS. good.

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"
 It can't get any crazier if you poured LSD over it! We had a Trans Man, actually a woman who was very confused kill 3 children and 3 teachers at a christian school and the media refuses to point out this fact. They only care about the truth if they can blame it on a straight white man. Diaper Joe and his Jamaican Ho jumped to the platform that it is GUNS that are the problem! In all my years using firearms I have never seen a gun jump and kill anyone. Here is a simple statement for you to think about. Cane used a rock to kill Able. David used a rock to kill Goliath. Both used rocks, one for good, the other for evil. Not one of the left wing media have talked about how many mentally ill people on the left have killed or harmed individual in our nation. That is off limits. I have written to our wonderful Congressman Jay Olbernalte about several issues that are in the process of destroying our country. I asked why he isn't going after the real problem in Washington? His office always send some bull shit email back about Olbernalte being on some shit show committy that no one really cares about. You would have to really be a special kind of stupid or corrupt not to see that our elected officials are and have committed treason. The reason they have to take down Trump is very plain. A Billionaire who can't be bought, exposed the corruption and treason that is being committed. If we don't start putting the our boots on the neck of these bastards we are doomed as a nation. I warned you of this day coming. I wrote many times on the fact that we could and would see breakdown in our own country as we have seen around the world. The degenerats have had this plan in place for decades. They needed Biden to put it to work.
