**WANTED FOR TREASON
 AGAINST AMERICA AND
 HER CITIZENS**

Probably the most corrupt organization since the MOB. The F.B.I. was run for decades by a cross-dressing pervert that the building is named for, J. Edgar Hoover. This individual was another mobster who had the advantage of his badge. It was total abuse of power. He had the dirt on every politician in the nation. Now we have Christopher Wray who laughs in the face of Congress and the American Citizens who pays his salary. Our Federal Government has been dirty for decades. They had the advantage of hiding it by keeping their dirty little secrets from public viewing. We need to clean house and have these bastards indicted for treason. They hate Trump because he exposed them to us.

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"
 We are at a critical point in our nation that is taking us down the path of no return. The media and the elected representatives keep referring to Biden's policies as mistakes. These policies from Diaper Joe are not by any way mistakes. This plan to destroy us has been in place for the last 9 or 10 decades. We are the only nation on the planet that stands in the way of the One World Order. Our government has been infiltrated by our enemies. We do have home grown enemies that have gone unnoticed that are now controlling our Military, economy, our freedom. The evil that is now out in the open has always been there. We have allowed the evil to infiltrate our most valuable asset, our children. The younger the child, the easier the target. Obama had stated that if the right idiot was elected President, he would have his third term. By this statement, Obama who has always hated this country, can now finish his effort behind the scene to cause our collapse. The traitors that are assisting in this effort are on both sides of the isle. Mich McConnell, Lindsey Graham, Nancy Pelosi, Chuck Schumer. The list is a very long one. Our nation has been betrayed by the greed of our politicians who will not bat an eye over our collapse. The corrupt system has stolen 2 elections with their goal to finish us off in the Nov. 2024 election. If the people don't rise up and take back our government we will fall. If Diaper Joe succeeds in removing the Second Amendment and our firearms are confiscated from our citizens it is only a question of a few weeks and we will be invaded by Russia or China. Our corrupt politicians don't care. The ones our enemies will target first are the Politicians they know can't be trusted.
