**WANTED FOR TREASON
 AGAINST AMERICA AND
 HER CITIZENS**

This is what a backed up toilet looks like. These three have been in Washington way to long. Schumer is a potential behind the scenes dictator. Mc Connel is married to a woman from China. The issue with this is her family is one of the richest in China. We know who his loyalty is with. Pelosi, this bitch is the one who made January 6th happen. It was by design. She hates the citizens of this country. She feels that she should be respected as though she were a Queen. I personally want to see all these and all the other traitors in our government get investigated, indicted, tried and then quickly removed from the face of the earth. They have sold us out for decades and made themselves very verly rich.

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"
 You just can't make this crap up! Every time I think it has hit a new level that can't be surpassed, the Left prove me wrong. Let's take count. Trump did not have any connection to Russia other than what Hillary the corrupt liar Clinton made up and Trump was impeached twice. The Biden family has been on the payroll of the Chinese, Russians and only God knows who else. The Trump children don't have any criminal record or any other recorded deeds that would embarrass their father. Hunter Biden has a laptop that had so many criminal videos that even the devil blushed. Trump was already rich when he chose to run for office, Biden became rich after he got in office. Trump at his age still has his A game working. Biden's only game is the one that he is playing to destroy our nation. I have no doubt that the puppet master behind the scenes is Barack Obama. He said that if the right idiot were elected he (Obama) will have a third term. If you speak out on any of the issues of corruption, you will get the axe just like our favorite son Tucker Carlson. Fox news has become the new CNN in broadcasting. After giving Tucker his walking papers the Fox stocks took a billion dollar loss in 24 hours. Anyone who still thinks Biden is the answer to what ails our country has to be a very special kind of stupid. The Left is ignoring the border and the criminals that DA's are letting run free. They at this point don't pose a threat. It is the armed American Citizen who they fear. I feel that if we don't put our foot on the head of the snake while we can, all will be lost. When you have degenerate behavior being taught to 5 year olds and think it is a good thing, you are a special kind of evil. You will be held accountable for your actions.

Coming this MAY 2023 Trevor's Happy Hour will be INTERVIEWING Comedian MR. BOB ZANY ! BAY-BEE ,.. An American stand-up comedian and actor. He is known for performing with his trademark cigar on stage. n 1976, he appeared as a contestant on The Gong Show. Between that time and a 1986 appearance on the TV special George Schlatter's Comedy Club, he had gained a significant amount of weight, which he was able to lose by the time he appeared as a contestant on To Tell the Truth in 1990. In the 1980s Zany was a frequent guest on Frazer Smith's morning show on 95.5 KLOS in Los Angeles.[1] Zany is an occasional guest on the nationally syndicated radio program The Bob & Tom Show, and has his own segment called The Zany Report. We are BACK!

Tucker Carlson got canned by Fox with no notice. He didn't even get to tell his fans good-bye.

Rupert Murdoch and his bottom feeding kids are changing Fox into another CNN. With any luck they will go broke before 2024.
