**WANTED FOR TREASON AGAINST AMERICA AND HER CITIZENS**

This is what a backed up toilet looks like. These three have been in Washington way to long. Schumer is a potential behind the scenes dictator. Mc Connel is married to a woman from China. The issue with this is her family is one of the richest in China. We know who his loyalty is with. Pelosi, this bitch is the one who made January 6th happen. It was by design. She hates the citizens of this country. She feels that she should be respected as though she were a Queen. I personally want to see all these and all the other traitors in our government get investigated, indicted, tried and then quickly removed from the face of the earth. They have sold us out for decades and made themselves very verly rich.

**PRAYER**

A Novena to Saint Jude and the Sacred Heart of Jesus: May the Sacred Heart of Jesus be adored, glorified, loved, and preserved throughout the world, now and forever. Sacred Heart of Jesus, have mercy on us. St. Jude, worker of miracles, pray for us. St. Jude, help for the hopeless, pray for us. Say this prayer nine times a day, by the 8th day your prayers will be answered. Thank you. St. Jude for interceding for me.

This nation needs this more than ever. We are in times where evil VS. good.

**FROM THE EDITOR!  
 "UNSPOKEN THOUGHTS"**

The Border is Wide Open! The Mexican Cartels are armed better than the Mexican Army and our own Border Patrol. Biden and his Corrupt Family is never going to be held accountable for their treason. The FBI is a corrupt organization of THUGS. Drug issues are higher than ever coming into the U.S.. The courts and D.A.'s offices across the nation are a version of the same bastards that belonged to the Nazi's party. Other than that, it is a great day in the neighborhood! Everyone who actually voted for Diaper Joe and his Jamaican Whore need to lose everything they have ever earned. The degenerates that have taken over your childrens minds are stealing your kids. The Russians and Chinese are planing on helping our corrupt government steal another election in 2024. If you are stupid enough to surrender your firearms you need to go ahead and move to one of the other communist countries that disarmed their citizens and put them in consenstration camps. All the little shit rags that we have raised in the last 20 years are about as smart as the last thing I flushed down the toilet. These waste of skin believe that they will get all the FREE CRAP that Biden and the left promised to them. We now have military leaders who think having a drag queen in commercials is going to help boost the failed enlistment goals. If we are attacked after the bastards steal you Second Amendment continue on this path we are totally screwed. Other than those few issues, life is great. Oh, by the way, if you believe in Jesus as Lord and Savior you are the target of the left. If you are a Christian Teacher you will be fired!
